Many members e-mailed Julie at the ZMA to forward your email address, to receive information from the ZMA. Unfortunately she had a computer melt down. If you could please click on this web address, julie@zanesvillemuseumofart.org it will take you to her email. Just write, "Add me to your list", or if you would like, let me know and I can forward your address to her. If you haven't been to the ZMA this month to see the exhibits, try to go. Amazing!!

ZAAP Members have supported the Community Foundation with Art for the Groundhog Auction for many years. They are also asking for your email addresses. To send them your email address so you may be involved with all of their news and event updates, visit their website and join their e-mail list

In 2010, the Muskingum County Community Foundation will celebrate the 25th Anniversary Groundhog Day Celebration on Friday, January 29, 2010. The Foundation is able to support the arts, in part, because local artists have supported us by donating works to our Groundhog Day Auction. Half of the winning bid amount of each donated work of art goes to our general fund while the other half goes to a local nonprofit organization of the artist's choice or to the artist. For example, if your donated work is sold at auction for \$500, you may ask us to give \$250 to a local nonprofit organization (including arts organizations) or you may keep the \$250.

We welcome your work at our office at 534 Putnam Avenue in Zanesville during our business hours from 8 a.m. to 5 p.m. weekdays. We appreciate your consideration of a donation for this event.

Executive Director**
