### December Newsletter

Meeting is Thursday, December 17th.

6:00pm at the ZAAP Gallery

Drop Off art, For January,

December 17th thru December 27th

The theme - January Thaw

Our January Featured Artists will be Photographers

In celebration of the Photo Club members joining ZAAP

Happy Holidays! The Meeting is Thursday and we thought it would be nice to have a Holiday Party. So if you like, bring along some Christmas treats, Appetizers, Cheese Balls, Dips or whatever. Let's get together and enjoy this month's cool show!

Along with the regular meeting, we will have a couple of speakers from our new members of the photo club. They will talk to us about cameras and how to take a better picture. Just in time for those family holiday shots. Have questions, bring cameras if you like.

We want to thank Paul Emory for all the time he takes to hang our show each month. You make us look so good! Thanks! You're the Best!

ZAAP artists are donating art work to the Muskingum County Community Foundation Groundhog Auction. MCCF hope to have art works donated soon, so that it may be shown on their website, with your name, medium, title of work, and estimated value. This will market your work to more than 400 community people that attend the event.

You can take your art to their office at 534 Putnam Avenue during business hours from 8am to 5pm week days.

Don't forget that 1/2 of the winning bid goes to MCCF and the other 1/2 goes to a local nonprofit organization of your choice or to the artist. If you need to have your art donation picked up, you may e-mail David Mitzel or Jamie Hoover at [giving@mccf.org](mailto:giving@mccf.org).

**Yan Sun** has asked ZAAP members to have a show at Muskingum University, February 25th thru March 14th. There would be a reception February 28th. Drop off for the show would be Monday and Tuesday Feb 22nd and 23rd. Mark your calendar!

There is a raffle going on in the gallery!! A large Western chest made and donated by David Yocum. The raffle tickets are \$10.00 All money raised by this raffle will go to a worthy cause. Find out more at the gallery.

Connie Lambert had the inspiration to start the Y-Bridge Photo Club. Now that we are one, she is the Coordinator of the Photographers for ZAAP. She takes this position for all members of ZAAP that wish to participate with photography. Connie plans many activities and is open for ideas for trips and classes. She will also speak to our members at our monthly meetings. Many of the photographers were already members of ZAAP and have shown their work in the gallery. We look forward to even more spectacular works from all our new members.

Connie would like to let you know that for this month's photo adventure, the December 20th trip will be to Dresden to photograph the sites of the season, the Dresden architecture, the bridge and whatever else they might find. Meet at the ZAAP gallery at 2:00 PM. Or if you want to meet in Dresden, look for the cool dudes with cameras!

The Holidays are here and this year First Friday falls on January 1st. From the ACZ...The overwhelming consensus about the First Friday for January was to not have it in January because of all of the conflicts on New Year's Day. That will be the action for First Friday for January. The next First Friday will be February 5, 2010.

So.... ZAAP is thinking of having the Gallery open on Sunday January 3rd with special hours, for our opening reception of January Thaw and for our featured Artists...The Photographers, more to come about this opening soon.

See you Thursday at the Holiday Get Together!  
Debbie
